## Tom's school

Tom Schuft lives with his parents in Canterbury, near Dover. MrsSchuft, Tom's mother, is a Biology teacher in Tom's school. Every day they get up very early and go to school together. Before MrSchuft goes to his office in the city centre, he drives his wife and his son to school. Tom is a pupil in the 6th grade. The name of his school is "Sunshine day".

Tom likes his school a lot because it is modern, big and comfortable. The teachers are very nice and the atmosphere is great. He studies many subjects and his favorite is English. He loves his English teacher because she is friendly, cheerful and helpful. He also likes to play football and basketball.

In the school, there are two buildings: the main building and the gymnasium. In front of the gymnasium there is a big courtyard with a nice small garden. In the main building, on the left there is the Headmaster's office and on the right is the school office. There are classrooms downstairs and upstairs. The gymnasium is opposite the main building.
